“Team Peters” Helps Keep University City Clean

SAN DIEGO – Council President Scott Peters and his staff joined the University City Community Association, I Love a Clean San Diego, and residents on May 12 for the annual Spring UC Clean Up.

Each May, dozens of volunteers help the UCCA clean and beautify the streets, sidewalks and medians of South University City. This year, the UCCA for the first time partnered with Recycle San Diego to collect electronic waste, including computers, printers, televisions and media players.

“Team Peters” surveyed a stretch of Genesee Avenue between Governor and Rose Canyon, collecting eight large bags of trash and two shopping carts.
